Celebrating 100 years

March 2022

Dear Anglican Clergy,

Greetings from your friends at St Aidan's, Wilderness.

Many of you have stayed in the rest house in Wilderness in the past, and some numerous times. You may already know that this year we celebrate 100 years since the original St Aidan's chapel and rest house were built, - the rest house was extensively rebuilt in 1979. Many items of furniture have been donated over the years, and more recently we have added some 'creature comforts', such as electric blankets, new furnishings, and wall hangings, and the five beds have been fitted with duvets, rather than blankets. As you will be aware, the Council of St Aidan's has always tried to keep the cost of staying for the priest and his/her family and friends to a minimum, certainly in comparison with other self-catering facilities.

The ongoing maintenance and upkeep of the facility is mainly funded from income to the chapel, as we do not receive financial assistance from the Cathedral or the Diocese. This year we must undertake some much-needed repairs again to the structure and the thatch and are therefore launching a Centenary Appeal for donations to assist us with funding this.

If you would like to contribute to the Centenary Fund, then the account is the same as you use for bookings at the rest house.

All donations however small, should be marked 'Centenary - *surname*'.

With kind regards,

Peter Mundell, Chapel Warden &
on behalf of St Aidan's, Wilderness

Yours Sincerely.
