

The Anglican Diocese of George The Anglican Church of Southern Africa

We invite expressions of interest for the position of

Rector

Parish of St Stephens, Bonnievale, South Africa

This position offers an opportunity to be part of ministry in the rural areas of our Diocese. Bonnievale is a beautiful community. The small farming town is tucked between two mountain ranges, the Riviersonderend and the Langeberg mountains, and the lush green fields are fed by the Breede River and a series of canals. The land is fertile and soft, producing beautiful fruit, wines, and dairy. Ideal for an experienced priest wishing to minister to a faithful rural community.

This ministry includes primary responsibility for services at all the worship centres (St Stephens Bonnievale, St Peter Drew and Myrtle Rigg Memorial Church) as well as the pastoral programs it runs.

The parish offers a unique ministry opportunity. These communities range from township & rural communities. A good place to learn and grow.

A Basic Stipend, Travel Allowance, Housing & Pension Fund is provided.

Closing date for applications: 30 March 2023. Further details or a Written application together with the relevant certified copies of documents including letters of orders and a commendation and release from your current Bishop must be posted to :
